Abhi Kunwar

ABOUT ME

I am an ambitious and eager-to-learn individual with a passion for [I.T. field/industry]. I bring a fresh perspective, a keen eye for detail, and an unstoppable curiosity to every project I undertake. My goal is to combine my academic knowledge with practical experience to contribute to a team while continuing to grow and refine my skills. Whether it's solving problems, collaborating with diverse teams, or adapting to new challenges, I thrive in environments that inspire creativity and foster growth. Ready to bring my enthusiasm and dedication to a dynamic role that will allow me to contribute meaningfully and learn along the way.

PROJECTS

• PORTFOLIO WEBSITE | HTML, CSS, JAVASCRIPT

Designed a responsive personal portfolio showcasing my resume, skills, and contact form.

• SCHOOL MANAGEMENT SYSTEM | PYTHON, SQL

Developed a console-based application to manage student records, results, and attendance using Python and MySQL. Included features for adding, updating, and viewing data with role-based access for admin and staff.

• FREELANCE EXPERIENCE

Photographer Portfolio Website – Freelance Web Developer
Designed and developed a modern and responsive photo portfolio site for a local photographer client using HTML, CSS, Bootstrap, and JavaScript. Delivered a user-friendly interface with features like category-based filtering, modal previews, and contact form.

• CERTIFICATIONS

2024-25

- Python for Everybody – CADD KAMPUS
- Web Development Bootcamp – Udemy
